Item 2.06 Material Impairments

On June 22, 2023, subsidiaries of Transocean Ltd. (the “Company”) entered into agreements (the “purchase agreements”) with Dolphin Drilling Limited (“Dolphin”) pursuant to which the Company agreed to sell to Dolphin the harsh environment floaters *Paul B. Loyd Jr.* and *Transocean Leader* and associated assets, and to novate the drilling contract relating to the *Paul B. Loyd Jr.* These rigs are classified as held for sale. Accordingly, the Company expects its second quarter 2023 results to include an estimated non-cash charge of approximately \$60 million associated with the impairment of such assets. The Company expects to close the transactions contemplated by the purchase agreements in the fourth quarter of 2023.

Item 7.01 Regulation FD Disclosure

On June 28, 2023, the Company announced a 16-well binding award for the *Transocean Equinox* in Australia for a consortium of four operators. The estimated 380-day campaign contributes approximately \$184 million in backlog, excluding full compensation for mobilization and demobilization.

Transocean Ltd. Announces \$184 Million Award for Harsh Environment Semisubmersible

STEINHAUSEN, Switzerland—June 28, 2023—Transocean Ltd. (NYSE: RIG) (“Transocean”) today announced a 16-well binding award for the *Transocean Equinox* in Australia for a consortium of four operators. The estimated 380-day campaign contributes approximately \$184 million in backlog, excluding full compensation for mobilization and demobilization. The engagement also includes options that, if fully exercised, could keep the *Transocean Equinox* working in Australia into 2028.

This new award is expected to commence in the first quarter of 2025 in direct continuation of the rig’s previously announced five-well, 300-day commitment in Australia with a major operator, currently expected to start in the first quarter of 2024.

About Transocean

Transocean is a leading international provider of offshore contract drilling services for oil and gas wells. Transocean specializes in technically demanding sectors of the global offshore drilling business with a particular focus on deepwater and harsh environment drilling services and operates the highest specification floating offshore drilling fleet in the world.

Transocean owns or has partial ownership interests in and operates a fleet of 36 mobile offshore drilling units, consisting of 28 ultra-deepwater floaters and eight harsh environment floaters. In addition, Transocean holds a noncontrolling ownership interest in a company that is constructing one ultra-deepwater drillship.
